Dear Duleep,

On behalf of the members of the Metro Vancouver Cricket League, Vancouver, British Columbia, Canada, particularly our Sri Lankan members, I write to convey our deep concern and express our sorrow over the senseless tragedy which has befallen your National Team when visiting Pakistan.

We have been following the news and are pleased to see that the players are currently on their way home. Our prayers and warm thoughts will be with them and their families as they cope with this horrific experience.

Yours truly

Dave Mann
